

CACTUS

WHERE BUSINESS FINDS CLARITY

YOUR KINGDOM AWAITS.

The Kingdom represents one of the most significant commercial opportunities of this decade. The opportunity is real, the window wide, and the right partner makes all the difference.

Your gateway to opportunity. Our commitment continues beyond entry.

WHO WE ARE

Elevating National Vision to Global Impact.

CACTUS was founded on a single conviction: that the enterprises best positioned to shape Saudi Arabia's future deserve a partner of equal ambition. We architect your market entry from first conversation to full operational momentum - navigating every regulatory, structural, and strategic complexity so your leadership remains focused entirely on growth.

OUR SERVICES

The Four Pillars of Entry

Every complexity of your Saudi entry structured, managed, and executed without exception.

Business Establishment & Structuring

End-to-end company formation covering entity selection, ownership structuring, commercial registration, and trade licence acquisition - tailored for businesses entering the Saudi market.

Government Liaison & PRO Services

Dedicated PRO services covering visa processing. Iqama renewals, ministry engagements, and all government transactions executed with precision so your team stays focused on business

Legal & Regulatory Compliance

Full-spectrum compliance management ensuring alignment with Saudi Arabia's evolving corporate governance frameworks and legal obligations - from setup through sustained operation.

Market Entry Strategy & Advisory

Strategic advisory for international businesses entering Saudi Arabia - from feasibility and sector positioning to partnership structuring and Vision 2030 alignment

CLIENT JOURNEY - THE PATHWAY

**The Journey at a Glance. Seven Stages. Zero Uncertainty.
From First Conversation to Full Operation.**

"You do not wonder what happens next. You already know."

A fully engineered pathway from first conversation to full operational momentum every stage defined, every milestone owned, every outcome delivered.

YOUR JOURNEY IS NOT A QUESTION IT IS A MAP

Seven Stages. Zero Uncertainty. From First Conversation to Full Operation.

“You do not wonder what happens next. You already know.”

01-ALIGNMENT *The Clarity Session*

Duration: 1-2 Weeks | **Deliverable:** Strategic Assessment Document

Your Experience: You arrive with questions. You leave with a map

What Happens: Before a single document is filed we listen. We understand your vision, timeline, sector and constraints. We do not pitch. We diagnose. This stage ends with absolute mutual clarity- you know exactly what your Saudi journey requires, and we know exactly how to engineer it.

02-ARCHITECTURE *The Blueprint*

Duration: 2-3 Weeks | **Deliverable:** Entity Architecture Blueprint

Your Experience: You see your Saudi future on paper complete, coherent, and defensible.

What Happens: We design your entity structure, ownership framework licensing pathway, sector positioning, Saudization trajectory, and banking infrastructure. Every decision is deliberate. Nothing is assumed. Everything is engineered.

03-FORMATION *The Foundation*

Duration: 4-8 Weeks | **Deliverable:** Fully registered Saudi entity - licensed banked and operational ready

Your Experience: Progress without anxiety. Milestones met Timeline honoured.

What Happens: Entity registration License acquisition. Government document submissions. Banking establishment. We execute the blueprint with precision managing every ministry interaction, every document submission, every approval pathway. You receive updates. You do not chase.

THE PATHWAY

CLARITY CREATED THE PATH. EXECUTION BEGINS.

Seven Stages. Zero Uncertainty From First Conversation to Full Operation
"You do not wonder what happens next. You already know."

04-ACTIVATION *The Ignition*

Duration: 2-4 Weeks |

Deliverable: Operational Activation

Your Experience: The moment your entity shifts from 'registered' to 'alive'

What Happens: Your entity exists. Now it operates. We establish your HR frameworks, compliance systems, administrative protocols, visa pathways, and infrastructure. The machinery that sustains your daily operations is installed, tested, and ready.

05-POPULATION *The Team*

Duration: Ongoing | **Deliverable:** Workforce Architecture

Your Experience: : Talent acquisition without immigration anxiety Compliance without confusion.

What Happens: Your workforce takes shape. Saudization strategy implemented International talent visas processed Employment contracts structured. HR compliance established. The people who will build your Saudi legacy are properly positioned and legally protected.

THE PATHWAY

**EXECUTION BECOMES MOMENTUM.
MOMENTUM CREATES EXPANSION.**

Seven Stages. Zero Uncertainty From First Conversation to Full Operation

"You do not wonder what happens next.
You already know."

06-MOMENTUM *The Rythm*

Duration: Ongoing | **Deliverable :** Operational Continuity

Your Experience: Nothing expires. Nothing lapses. Nothing distracts

What Happens: Operations are running. We remain - managing renewals, filings, compliance certifications, and the thousand administrative details that would otherwise consume your leadership attention. You focus on growth. We maintain the machinery.

07-EXPANSION *The Harizon*

Duration: When You Are Ready |
Deliverable : Expansion Strategy

Your Experience: The conversation shifts from 'how do we operate' to how do we dominate'

What Happens: Entry was the beginning Now the question becomes: What next? New sectors. New regions. New structures. Strategic repositioning. M&A opportunities. CACTUS evolves from entry partner to growth architect mapping your next chapter before your competitors see it coming.

Where Business Finds Clarity

CACTUS BUSINESS SUPPORT SERVICES

The Kingdom is open. The pathway is engineered. The only question remaining is when you choose to begin
